Learning for life in world society

Learning in a pluralistic world of cultural diversity

The UNESCO headquarters in Paris:

8.600 schools worldwide in 180 countries

190 schools in Germany, 22 in the federal state of Hesse

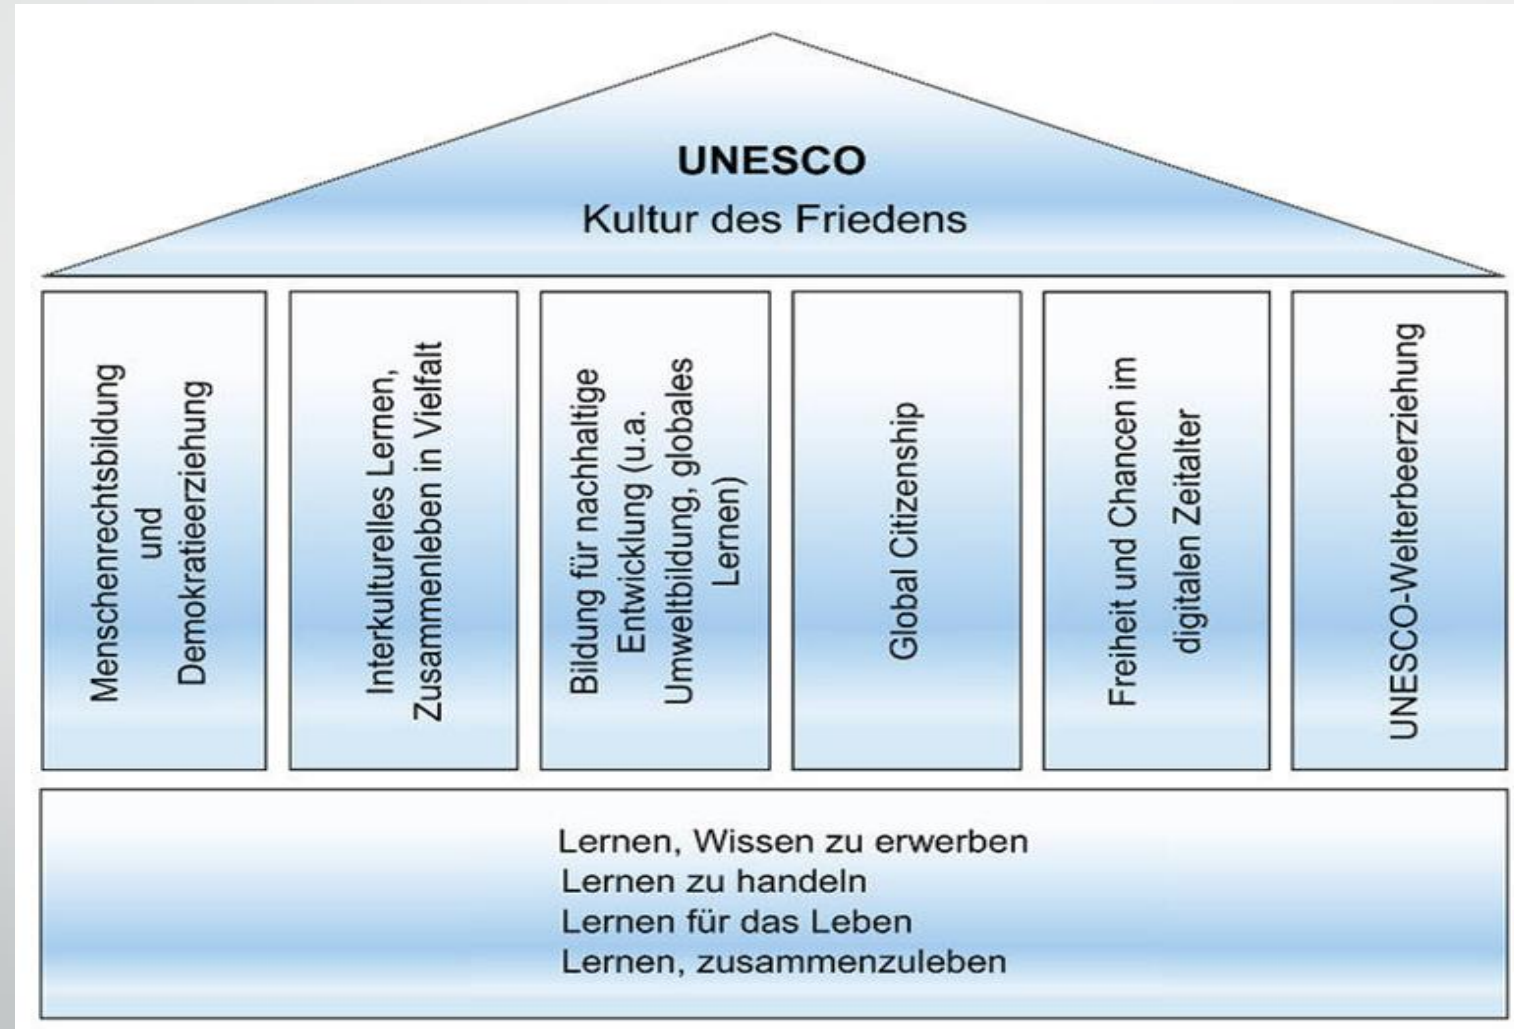

15.000 students take part in the joint projects with german schools every year

UNESCO associated schools are committed to...

- a culture of peace
- the protection of environment
- sustainable development
- a fair distribution of wealth between the rich and the poor
- a global citizenship: intercultural learning
- human rights and democracy
- freedom and responsibility in the digital era
- education of „UNESCO World Heritage of Humanity“

the columns of UNESCO

How do we work?

- ✓ **Implementation of UNESCO-topics in curriculums of certain subjects**
- ✓ **Protection of the environment in Biology, Chemistry, Physics**
at primary school: „ranger diploma“
at primary and secondary school: „Day of Conservation“
- ✓ **Education for peace in Ethic and Religion, specific lectures in German and English**
- ✓ **Cooperations with schools in the region of Satonevri in Burkina Faso/ Afrika**
and Garliava Jonunciai Progymnasium and Gymnasium in Garliava/ Lithuania
- ✓ **UNESCO-Club: realizing projects as well as workshops with partners in the network**

Our partners
